

# Weekend Communique

GRADE : 5B

WEEK : 3<sup>rd</sup> - 7<sup>th</sup> April, 2016

*"Today can be a new beginning...our dreams can be restored...a fresh vision can be released...new hopes can be activated"*

We, at NMS, are prepared to offer time and guidance to every student who needs it. We request your support and partaking in this effort by sending your child to school every day, encouraging your child to read at least 30 minutes every evening, monitor their sleeping/ resting time, monitor your child's homework, and asking your child to share what they learned at school each day. We greatly appreciate your cooperation and understanding while getting ready to race into another fabulous year of learning.

**Genius Hour - Artic Express:** Students watched an inspirational video that aroused the spirit of inventiveness in them. The innovation task was to create a 3D presentation/ prototype of a tanker/ a ship which could help mankind in the future world. Students filled in the brain storming sheet and are all set to sketch their ideas onto a canvas in the coming week.

**5B Class Treaty:** Establishing a shared set of expectations or rules is an essential step in creating and maintaining a peaceful classroom community. The list of agreements were posted in the classroom as a 'Class Treaty', which is a working document that will serve as a guide towards the goals and ideals of 5B students.

**Happy to go home:**

**Nehaariqa Shailendra Udipi**

She won the note for being self – reliant, enthusiastic, demonstrating better attitude towards responsibilities and contributing towards class room discussions. **Congrats!!!**

**Class Monitors:**

**Girl: Sneha Anna Sajan**

**Boy: Muhammed Mohiyudeen Zidane**

They won the title for being amiable, well-mannered and accountable individuals. **Congrats!!!**
