GNMS - INNOFEST 2016: Our students have had an array of opportunities both internal and across the community network to showcase their creative and innovative potential. We intend to unveil their innovation practices on the 4th of June, which coincides with the **Parents' Consultation Meeting**. We look forward to welcoming you to INNOFEST 2016.

WORLD SCHOLARS CUP: The highlight of the week was the World Scholars Cup Junior Round, held at GEMS World Academy. Among a list of 20 plus schools and 500 students, NMS had 42 scholars at the event. A grand total of **86 medals & 2 trophies were won** by our scholars, **82 in the junior and senior category**, and another 4 from the primary category. All the teams have qualified for the Global Rounds to be held in Bangkok in June 2016.
