

GRADE : 4

WEEK: 5th- 9th June, 2016

Arabic Week: After the mega successful Science week, it was time to celebrate the rich heritage, culture and language which forms an integral part of UAE. Arabic department put together a wonderful assembly to create awareness towards the culture and most importantly; the language.

Shaunak of Grade 4C made us proud by winning the first place in Karate competition. He has also participated in national and international competition previously. He is definitely an ace player who has inspired many.

Successful PTM: We sincerely thank all parents for joining us in the first PTM of this academic session. Hope it provided valuable insight into your child's progress.

End of Unit Test-2 : It's time again to showcase the learning, our students' had in Unit 2. It is crucial to instill regular study habits among students to ensure learning is embedded.

Summer Vacation: Many associate summer with burning sand of the desert and scorching heat but for some it's the most awaited time of the year to meet the near and dear ones back home. Please ensure that the students are constructively engaged during the Summer break through extensive reading, creative writing exercises, project work etc. in order to develop and strengthen the skill.

Up next: Math week begins next week and children are all geared to display their
