

Weekend Communique

GRADE : 5

WEEK : 15th -19th May, 2016

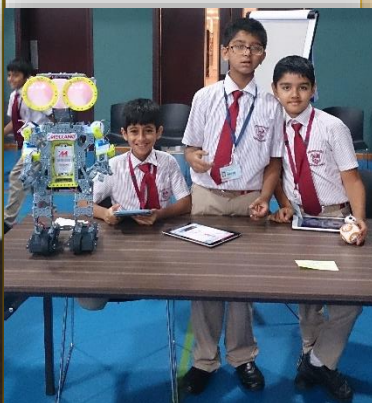

Innovation is not the result of chance , it's the result of action. Its not a thing to wait for it's a thing to do.

Science Week at NMS

The students were involved in various activities throughout the week.

Exhibited their scientific knowledge and projects.

Students came in dressed up like a scientist.

Independent Learning

We in grade 5 have created a learning environment in class that stimulates interest and discussion to challenge children's knowledge and understanding of the world. We encourage students to have pride and confidence in their work and achievements by demonstrating that we value their work and learning.

Congratulations to the following students who received a Happy to go home Note for their exemplary performance in the Science week.
