

Weekend Communique

GRADE : 4

WEEK: 22nd- 26th May, 2016

The week passed by was fun-filling with full of engaging activities to make learning accessible and fun for our high-spirited students who are always brimming with energy, positivity and ready to accepting challenges.

This week also holds special memories we gathered during our visit to Heritage Village and Sparky's- an educational trip blended with pleasure. It was a day well spent which left behind vivid memories of fun, togetherness and bonding. Our pictures will narrate the rest of the story.

World Family Day: The world celebrate together the pride and joy of being a part of a strong, solid unit called 'family' ;where unconditional love and support prevails. May 15 is proclaimed as International Family day as a global observance highlighting the importance of family. Our talented Grade 3B students took the plunge and performed before us on the same theme promoting the value of happy family.

Parent Teacher Meeting: We invite and appeal to all the parents to attend the first PTM of the academic session 2016-17. Do grab this opportunity to meet with your ward's teachers to discuss their academic performance and celebrate their strengths whilst also providing feedback to help close learning gaps. A positive parent- teacher partnership goes a long way in overall development and well-being of the child. Looking forward to meeting you.

Have a rest-filled weekend.
