AUTHOR VISIT @GNMS-

Survey suggests 99.4% (all those who had organized an author visit) considered author visits to be an invaluable enrichment that encouraged reading for pleasure, wider reading and creative writing. Visits are described as having 'a profound and lasting impact'. So the author came visiting to inspire children. A little about the author. Ms. Candy Gourlay is an Award winning children and young adults author (Philippine, UK). She is also a former journalist born and raised in the Philippines who wrote about dictators in the Third World. Candy has won the Crystal Kite Prize for Europe twice – for her debut TALL STORY in 2011 and for her ghost story 'SHINE' in 2014. Tall Story was nominated for the Carnegie Medal and shortlisted for 13 prizes, also winning the Philippines' National Children's Book Award. 'Shine' was nominated for the Guardian Fiction.

I'd like to thank all the parents for contributing so generously towards charity drive running in our school. I'm sure we have managed to inculcate a feeling of empathy and spirit of giving in our children which is the motive behind the project.

POEM RECITATION- *The much awaited Poetry Recitation Competition which was a part of National Poetry Month celebration at school unfolded with a wide range of poetry performances from reciting Roald Dahl's famous poems to Kenn Nesbitt's most hilarious ones. Student audience was*

WEEKLY ASSEMBLY-Grade 4A students presented their class assembly explaining the significance of the occasion Israa-al Miraaj. The assembly started with the Quran recitation with verses from Surah al Isra followed by a short skit to enlighten about Rajab. The students also highlighted the importance of Namaz.

BOOK REVIEWS- Students issued books from the library this week and students will now write a book review for every book they read. The book reviews will be shared via mail and we hope you can support the students in completing the book reviews during the reading time at home.

EARTH DAY was celebrated with much fervor and I once again thank all the parents for being supportive not only to dress up your children but packing their green lunches thus making them aware of the benefits.
