

HAPPY MOTHERS DAY

GRADE : KG 1

WEEK : 8th May – 12th May, 2016

"A mother is like a flower, each one beautiful and unique"

WEEKLY UPDATE

We hope you've had a lovely week. We're back again with our update for the week, with lots of pictures to show you how much fun and learning we've had in school.

Mother's Day Celebration

This week, KG1H conducted their Class Assembly on 'Mother's Are Magical', an apt theme keeping in mind Mother's Day. The children showed their love and appreciation to their mothers by reciting a few rhymes and singing a lovely song, just for them. To express their love and gratitude, they gave out special handmade bouquets to their mothers. Scan the QR code to get a glimpse of the assembly.

Salad Making and Flower Arrangement Competitions

To encourage healthy eating habits in children, a 'Salad Making Competition' was organized. Mothers along with their children actively participated in it. A 'Flower Arrangement Competition' was also held, culminating in breathtaking displays.

Throw ball Match

A special Mummies vs Teachers 'Throw-Ball Match' was organized. We were delighted to have many sporting mothers participating in this event.

Twinkle twinkle little star, do you know how loved you are!!!

HAPPY MOTHERS DAY

"This special gift was made just for you, MOM,
with my little hands"

KG1A exploring circles, while developing their fine motor skills.

KG1B enhancing their fine motor skills with paper tearing.
